SNAPSHOTS FROM MCY  
**OUR VALUES, OUR FUTURE**

---

*Keep your face always toward the sunshine  
and shadows will fall behind you.*  
- Walt Whitman -

This is certainly an unprecedented time that challenges all of our habits, our goals, our certainties. Our resilience is being tested like never before and it is the time for our forward-looking attitude to guide us in spreading positive vibes to the entire community.

This is why in Monte Carlo Yachts we will continue doing what we love: being inspired, encouraging creativity and keeping your dreams alive.

Strengthened by our values, we are confident that soon we will be able to experience again unique cruising moments together distinguished by extreme levels of peacefulness and well-being.

## A warm welcome to the MCY 70 Skylounge from the World Press

We are pleased to share with you the press releases of International media covering the brand new MCY Skylounge Collection and, in particular, the first 70-footer model that has been presented as World Premiere at the Miami Yacht Show 2020. Designed by Nuvolari Lenard, the MCY range combines the sophisticated Italian design with the brand's cutting-edge technological know-how. The new MCY 70 Skylounge is the first Italian-built yacht to feature an enclosed flybridge.

*“Italian design firm Nuvolari Lenard worked with the builder to create the design, which has a customizable flybridge offering 360-degree views of the great outdoors”.*

### **MCY 80 and MCY 66 displayed at the Tuzla Boat Show in Istanbul**

The MCY 80 and the new MCY 66, two of the most iconic yachts of the MCY Collection, have caught the attention of the visitors at the Tuzla Boat Show 2020 last March 7-15, strengthening the presence of the brand in the Bosphorus area. Monte Carlo Yachts confirms a successful collaboration with Tezmarin, official dealer in Turkey, a precious partner with high professionalism, providing continuous support in covering the local market's needs.

We will provide updated information on the next Boat Shows as soon as possible. In the meantime, we invite you to cruise our website to be updated with all the news and to come onboard to discover the uniqueness of our yachts, conceived to become the classics of tomorrow.
